Nature Across Boundaries: Keeping Lands and Waters Connected November 6, 2017 – Recap Video

Nature Across Boundaries:
Keeping Lands and Water

“I am going to stress the need to look beyond municipal boundaries when discussing conservation opportunities.”

“I plan to meet with our new Town Supervisor following the election to discuss these ideas.”

“I will push for an open space plan and look into Regional Conservation Plans.”

“Coming from outside of the ecology and conservation community -- most of what I learned felt new and it will shift my mindset. Connectivity!”
